HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title	CSR	Division	Chapter	Rule
3 Department	<i>Code of State Regulations</i>	10- Agency division	4 General area regulated	115 Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the Missouri and the United States Constitutions; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the Missouri Register as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

TITLE 5 – DEPARTMENT OF ELEMENTARY AND SECONDARY EDUCATION

Division 20 – Division of Learning Services Chapter 300 – Office of Special Education

EMERGENCY AMENDMENT

5 CSR 20-300.110 Individuals with Disabilities Education Act, Part B. The State Board of Education (board) is amending the incorporation by reference materials.

PURPOSE: The purpose of the amendment is to update the incorporation by reference materials to incorporate changes required by amendments to statute in sections 162.700 and 162.405, by SB 68. SB 68 changed the young child with a developmental delay definition to allow students to continue receiving special education services for an additional year, as well as authorized the board to approve private agencies in adjacent states to provide special education services.

EMERGENCY STATEMENT: This emergency amendment is necessary due to the passage of SB 68, which went into effect August 28, 2025. The emergency amendment will allow students to continue receiving services for an additional year under the young child with a developmental delay eligibility category, as well as authorizes the board to approve private agencies in adjacent states to provide special education services. This emergency amendment is necessary to align the rule to legislative

changes. The emergency amendment is further necessary to protect the health, safety, and welfare of special education students to ensure continuity of coverage for young children with developmental delays; and to ensure that students who are already enrolled for the 2025-2026 school year in approved private agencies in adjacent states do not experience a lapse in services. The emergency amendment ensures that students with special educational needs will immediately receive the benefits of certain protections and educational supports provided by SB 68 without delay. As a result, the board finds a compelling governmental interest, which requires this emergency action. A proposed amendment, which covers the same material, is published in this issue of the **Missouri Register**. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the **Missouri and United States Constitutions**. The board believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed on September 16, 2025, becomes effective September 30, 2025, and expires March 28, 2026.

(2) The content of this state plan for the Individuals with Disabilities Education Act (IDEA), Part B (revised [December 2022] **September 2025**), which is hereby incorporated by reference and made a part of this rule, meets the federal statute and Missouri's compliance in the following areas. A copy of the IDEA, Part B, is published by and can be obtained from the Department of Elementary and Secondary Education, Office of Special Education, 205 Jefferson Street, PO Box 480, Jefferson City, MO 65102-0480, and at its website at <https://dese.mo.gov/governmental-affairs/dese-administrative-rules/incorporated-reference-materials>. This rule does not incorporate any subsequent amendments or additions.

AUTHORITY: sections 161.092 and 162.685, RSMo 2016. This rule previously filed as 5 CSR 70-742.140. Original rule filed April 11, 1975, effective April 21, 1975. For intervening history, please consult the **Code of State Regulations**. Emergency amendment filed Sept. 16, 2025, effective Sept. 30, 2025, and expires March 28, 2026. A proposed amendment covering this same material is published in this issue of the **Missouri Register**.

PUBLIC COST: This emergency amendment will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the time the emergency is effective.

PRIVATE COST: This emergency amendment will not cost private entities more than five hundred dollars (\$500) in the time the emergency is effective.

The Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo.

EXECUTIVE ORDER 25-30

WHEREAS, the federal Supplemental Nutrition Assistance Program ("SNAP") is administered by the State of Missouri to provide food assistance for low-income Missouri families to supplement their grocery budgets and encourage consumption of nutritious food essential to health and well-being; and

WHEREAS, healthy and nutritionally secure families are critical to supporting a path to self-sufficiency and ultimately a thriving state, and the well-being of Missouri citizens is of paramount importance; and

WHEREAS, the prevalence of chronic diseases is substantial, with 22.2% of Missourians having diabetes or prediabetes and over one-third of adults classified as obese, highlighting the urgent need for initiatives that promote healthier dietary habits; and

WHEREAS, a robust agricultural sector is the bedrock of Missouri's economy and provides essential, nutritious food products, including fruits, vegetables, poultry, meats, and grains, that are crucial for a well-balanced diet; and

WHEREAS, Missouri is a leading national agricultural producer in a variety of food commodities that provide healthy, sustainable dietary options for Missourians, including 2nd for meat goats, 3rd for beef cattle, 4th for rice, 5th for turkeys, 7th for hogs, and 7th for broiler chickens, among others; and

WHEREAS, with our unique strength in food production, it is this Administration's intention to promote healthy diets sourced from the best quality products grown and produced right here within our own borders; and

WHEREAS, incentivizing the purchase of nutritious, locally-sourced agricultural products through the SNAP program can simultaneously improve public health outcomes and strengthen Missouri's agricultural industry; and

WHEREAS, it is in the best interest of the State of Missouri to ensure that the approximately \$1.5 billion in annual SNAP benefits issued in Missouri are utilized in a manner that maximizes nutritional health for recipients while also supporting the diverse and abundant agricultural output of our state;

 - Dairy products
 - Whole grains and bread products
 - Legumes
- III. ATTEST:

DENNY HOSKINS
SECRETARY OF STATE

The text of proposed rules and changes will appear under this heading. A notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This explanation is set out in the PURPOSE section of each rule. A citation of the legal authority to make rules is also required, and appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules that are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close-of-comments date will be used as the beginning day in the ninety- (90-) day count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice, file a new notice of proposed rulemaking, and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

- I. Department Title: Department of Elementary and Secondary Education
Division Title: Division of Learning Services
Chapter Title: Office of Special Education**

Rule Number and Title:	5 CSR 20-300.110 Individuals with Disabilities Education Act, Part B
Type of Rulemaking:	Amendment

II. SUMMARY OF FISCAL IMPACT

Estimate of the number of entities by class which would likely be affected by the adoption of the rule:	Classification by types of the business entities which would likely be affected:	Estimate in the aggregate as to the cost of compliance with the rule by the affected entities:
75	Approved Private Agencies	\$0-\$375,000

III. WORKSHEET

The Missouri Department of Elementary and Secondary Education (department) estimates that individual costs associated with training Approved Private Agency (APA) staff, which is necessary to comply with this proposed rule, will vary depending on the APA and training program chosen.

The department estimates the APA's costs to be from \$0-5,000 per APA. The department assumes that these costs will be one-time costs for the APA to certify trainers.

$$75 \times \$5,000 = \$375,000.$$

IV. ASSUMPTIONS

Under the current rule, APAs are required to train staff to effectively deliver special education and related services. The proposed rule, however, specifies the type of training required.

The department consulted the following program vendors to attempt to determine the fiscal impact of this proposed rule:

- Crisis Prevention Institute
- Mandt System
- QBS Safety-Care
- Handle With Care
- Professional Crisis Management Association

The department assumes that one staff member per APA will become a certified trainer.

The department estimates the cost of certifying a staff member to range from \$0-\$5,000, depending on whether a certified trainer is already employed by the APA and the program selected if certification is necessary.

Additionally, in the proposed rule, the department assumes that prospective and current employees bear the cost of the required background checks.

TITLE 20 – DEPARTMENT OF COMMERCE AND INSURANCE

Division 2150 – State Board of Registration for the Healing Arts

Chapter 5 – General Rules

ORDER OF WITHDRAWAL

By the authority vested in the Missouri State Board of Registration for the Healing Arts under section 334.125, RSMo, 2016, the board withdraws a proposed amendment as follows:

20 CSR 2150-5.030 Physical Therapy, Rehabilitation Services, or Both is **withdrawn**.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on June 2, 2025 (50 MoReg 744). This proposed amendment is withdrawn.

SUMMARY OF COMMENTS: The board received several hundred comments on the proposal to amend the current rule.

COMMENT #1: The comments received stated opposition to the proposed amended rule. The comments emphasized that the proposed rule could create confusion, suggesting that the disclosure form, as contained in the rule, could be viewed as acting as a waiver of other laws that prohibit or limit a physician's financial interest in physical therapy services. The comments report that the laws which prohibit a physician from having a financial interest in the physical therapy services, and the laws which prohibit physical therapists and physical therapist assistants from offering services under such circumstances, protect patient care and lower costs. Additionally, comments reported that the disclosure form, as contained in the rule, was no longer approved by the Advisory Commission for Physical Therapists, as required by statute.

RESPONSE: The proposed rulemaking does not change the substance of the rule and fixed incorrect references to a statutory subsection; section 334.100.2(22), RSMo, requires a physician to provide a disclosure form, as approved by the Missouri Advisory Commission for Physical Therapists to a patient when the physician has a financial interest in the physical therapy services being utilized by the patient. At the board meeting held on July 11, 2025, the board placed the proposed rulemaking and comments received on the open agenda and heard comments from the public. As the disclosure form as contained in the proposed (and the current) rule is no longer approved by the Missouri Advisory Commission for Physical Therapists, the board voted to withdraw the proposed rulemaking, and further voted to initiate rulemaking to rescind the rule.
